# THIS ONE'S FOR YOU, COACH MARSH

It has become customary for each senior class to dedicate their edition of the Anumpa to someone who, in their opinion, has been of particular value to RHS and their class.

Head Coach Larry Marsh completes his second year this June but his impact has been felt by every single student.

His presence has been of great value to the Redskins, both in his English classes and on the sidelines. This is our way of saying, "Thanks, Coach Marsh. We love you; this one's for you."

The Seniors

# A SPECTRUM

If you hold a prism up to the light it will break the light up into all the colors making up that particular beam of light.

Starting with page one, this year's edition of the Anumpa will act as a prism to make clear as many of the components making up Rickards High School and the Redskins as possible.

We'll separate the beam and find the bands, the choruses, the Business Ed students, the Art students, the S.W.A.T. Team, the athletes, the beautiful people, the many clubs and organizations and as many of the "shakers" and "movers" as we could find and nail down long enough to take a couple of pictures of.

The 1983 Anumpa, hopefully, will cast a *Spectrum* for all to see and remember; "... as the years go by ..."

## THE REDSKIN SPIRIT:

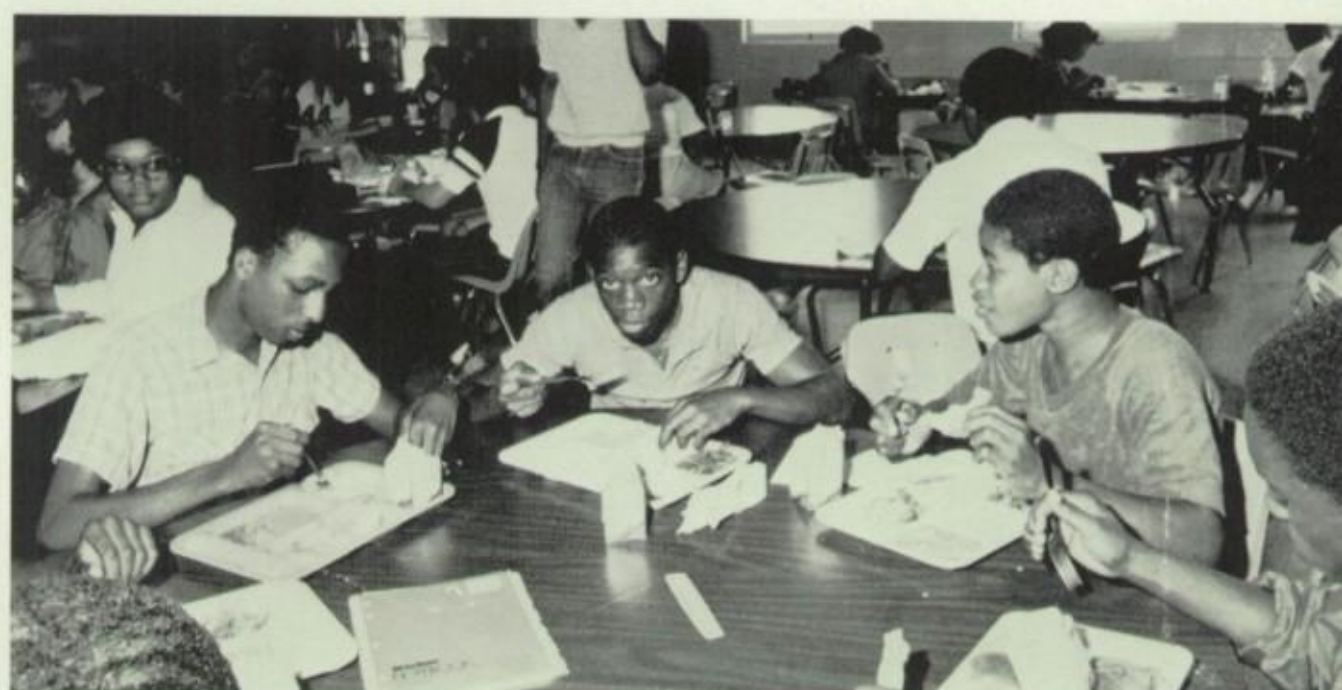

RHS's star shines brightly at all times and when the wholeness of its light is broken by a prism, the top band is always the same and one of the main strengths of RHS. That top band is *The Red-skin Spirit!* It roars, screams, hollers, echoes from distant hills and it easily separates a true Red-skin from the everyday teenager. It is rooted in deep pride.

On the previous page you'll find three shots of the Redskins at work doing part of what they like best; screaming for our *Fighting Redskins*, Richard Bradley, #40 (Who was the hit of War Dance '82 in the DCT's First Place Skit), a J.V. quarterback who will perhaps be a state champion someday. On this page you'll find Coach Kevin West and the JV's, Gene Atkins slamming out huge yardage against Leon, Gene Atkins and Bobo Whitehead with the flaming Spirit Spear, and scenes from Homecoming week preparations.

**Pep rallies, cheering at football games, porking down in the cafeteria and "cleaning up" at car washes; they are all just as important to a well rounded education as anything else. They are part of the spectrum that makes up the whole of us.**

## ON THE FACE OF THINGS

RHS's annual Halloween carnival for the neighborhood children is a fun thing for the Redskins and Red-skin faculty as well. It's at this time of the year when the Orange and Black part of the spectrum shines brightly and witches, tigers, pirates, and ghosties are in vogue.

# ***MORE FACETS REFLECTED:***

Jeff Westerfield was elected Chief Apalachee this year and made his grand debut amid the booms of aerial bombs and sky rockets to help fire up the Fighting Redskins at the RHS/Leon game.

Marissa Couch, Captain of the RHS Silks and her merry band of spirited girls kept things busy at the back of the band and the RHS Marching Redskin percussion section featured their usually strong beat (they also had to put up with people who wore strange glasses and a tambourine for a necklace. Mothers, you should start to worry if your daughter starts dating a drummer!).

# THE PRISM SWINGS

The prism swings and as it moves along its path the spectrum changes to reveal colorations not yet seen but every bit as illuminating.

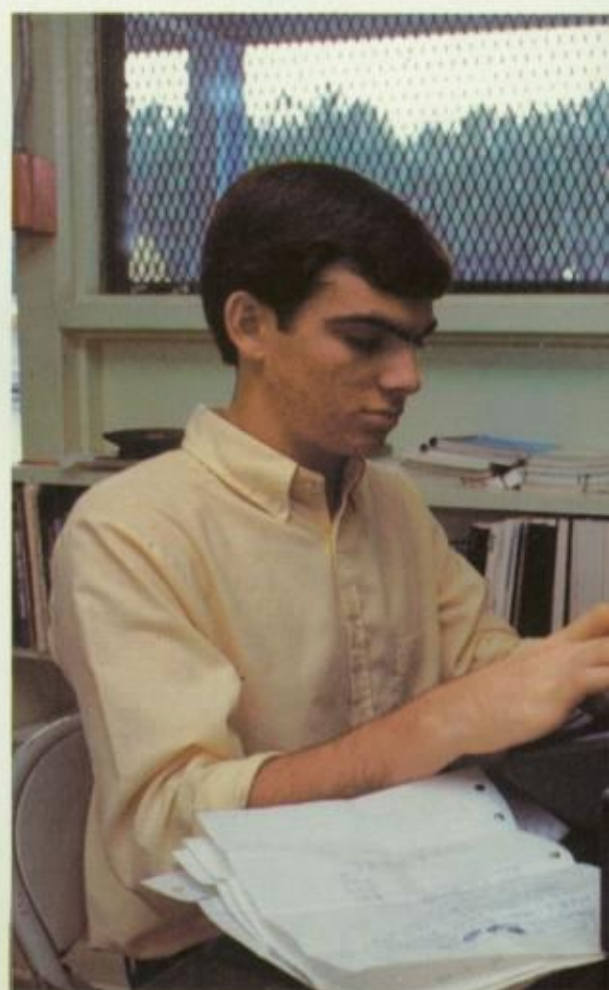

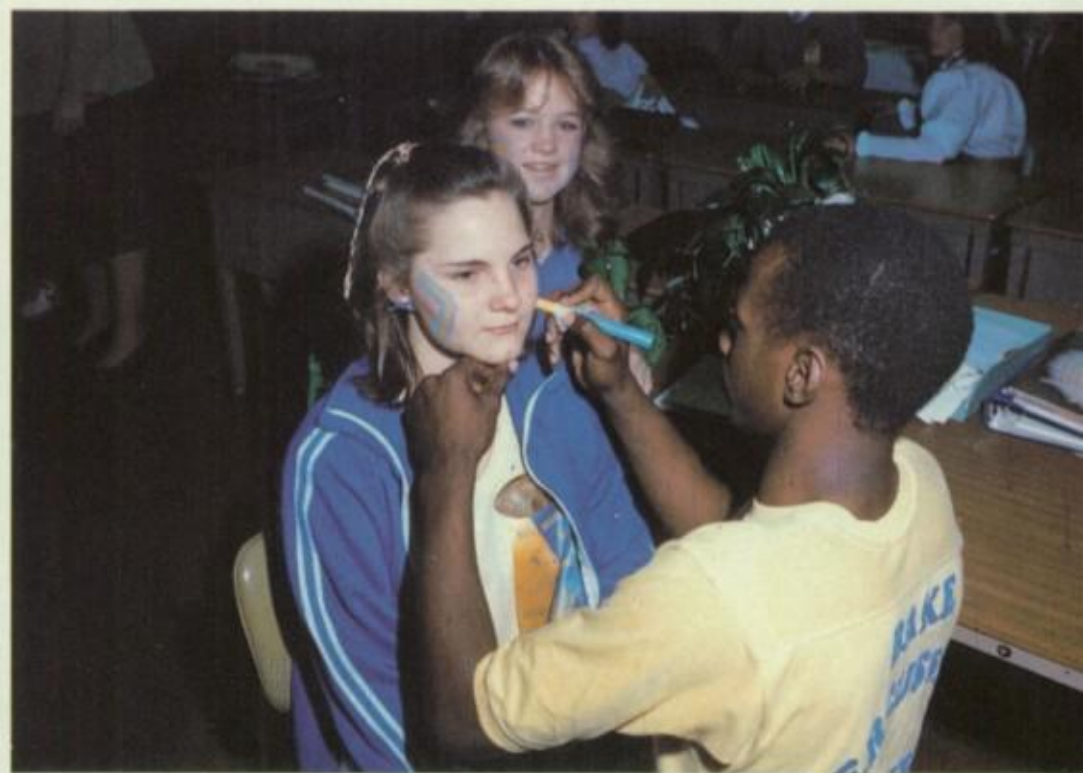

We see Babette Phelps' T-Shirt she made up for "T-Shirt" Day at Homecoming all ready for signatures and "witty" sayings. RHS's own lovely Baton Twirlers light up a half-time show in front of the Marching Redskins, Rock "Hit Man" Jones practices a few strokes and once again it's chow time in the cafeteria where more people ate than in the past several years.

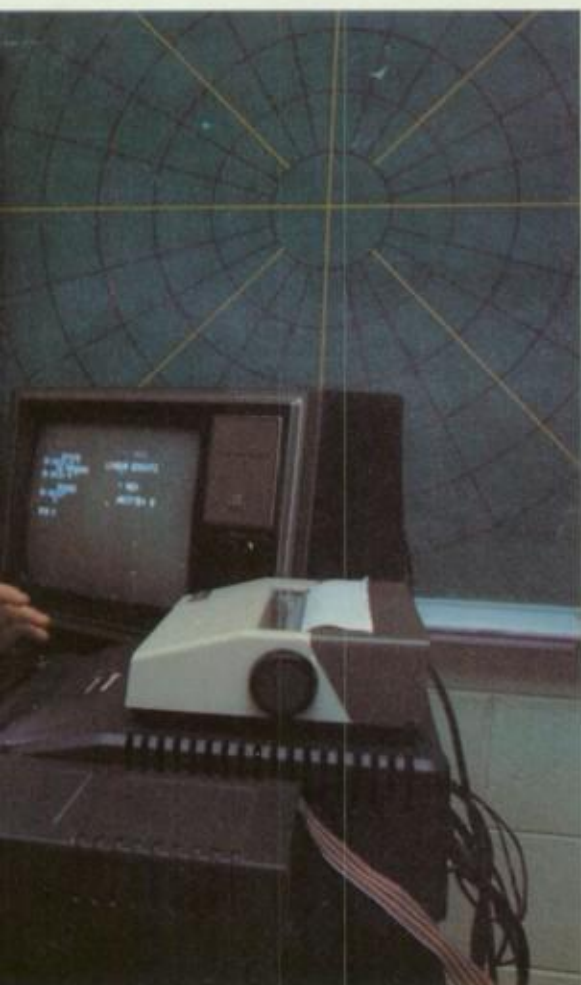

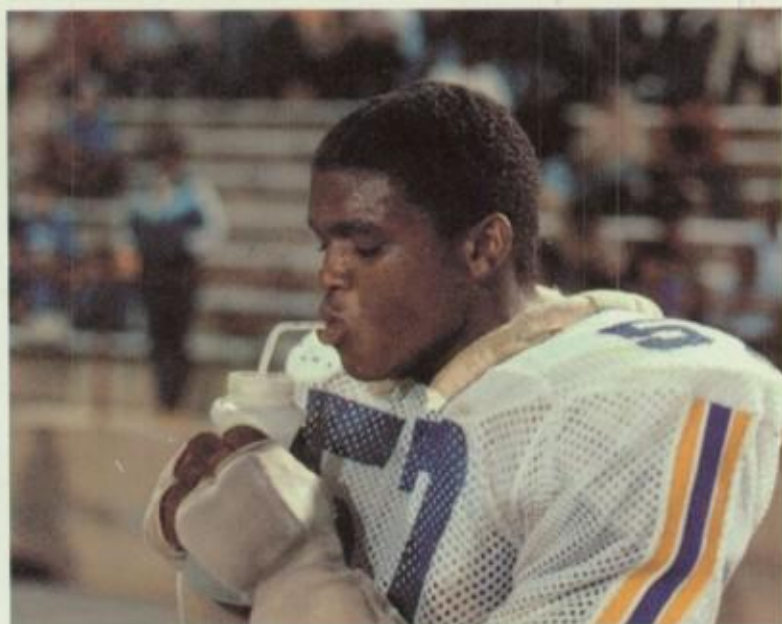

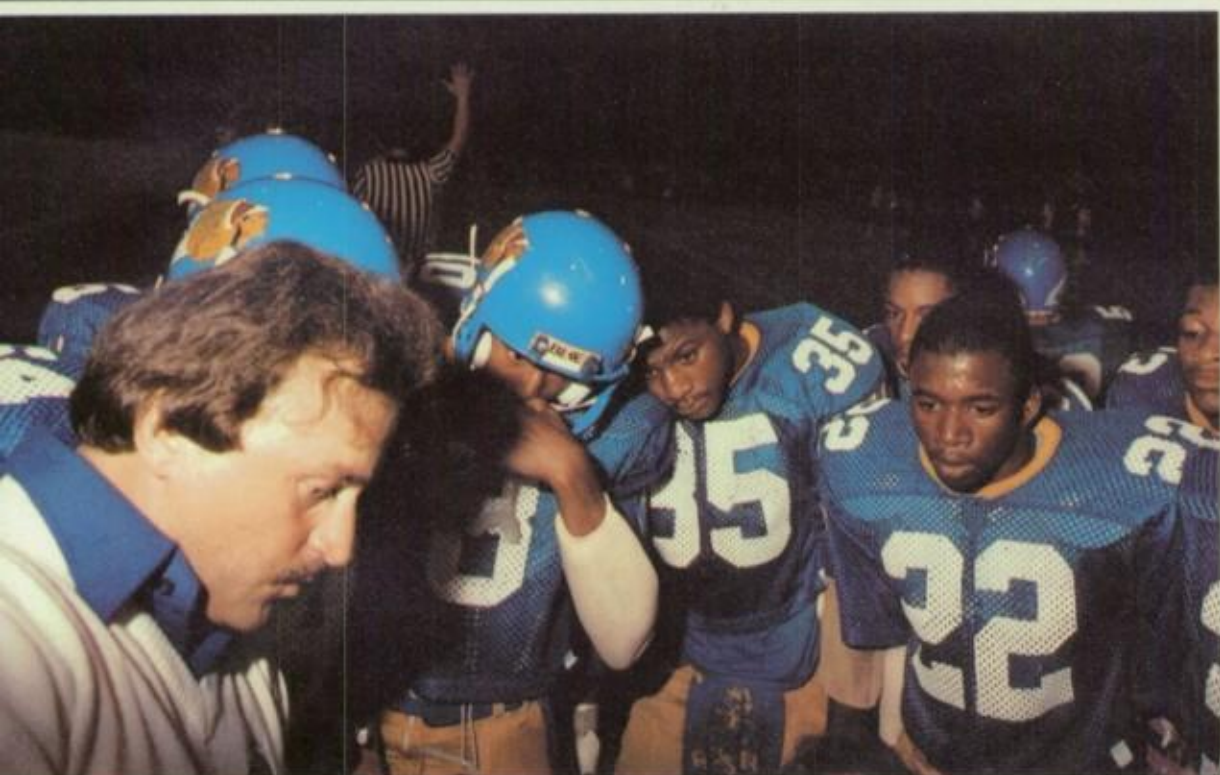

The Redskins are everywhere and doing everything. The Anumpa camera tried to keep up with 'em and found them getting war paint applied on Spirit Day at Homecoming, getting a small rest on the sideline (along with a lot of advice from Coach McLaughlin), stroking a few practice hits on the ball diamond, putting on strange things on Costume Day (if that's what getting old looks like, count me out!).

We even found several dedicated scholars! Here's one working out some computer problems in class.

# ***BRAINS, BRAWN BEAUTY — YOU NAME IT, WE HAVE IT***

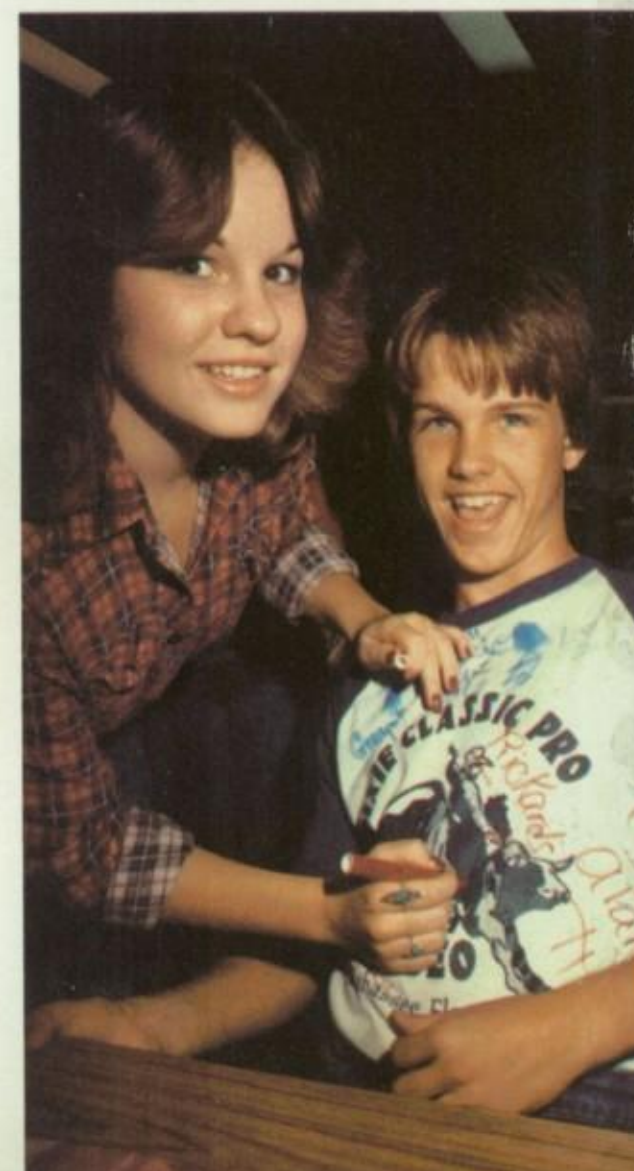

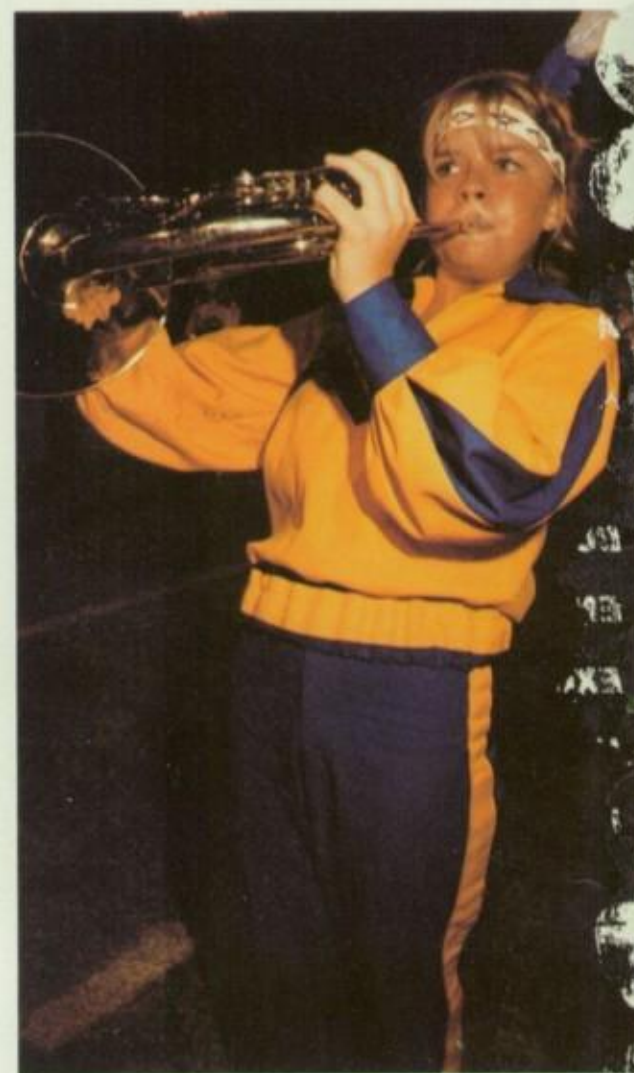

The light passes through the prism more rapidly and specks of pure bright color flash on the walls, revealing more intimately the small parts making up the Redskins and Rickards High School.

On the previous page you will find Mary Ellen Harrell behind the aged face she wore at the Halloween Carnival, Redskins Jeff Crum (#70) and Gene Atkins (#31) served as game captains at the Jefferson game, Ed Self, alias "Moon Pie," achieved great success as a "hit man" when he "pied" Mr. Goldfarb at the Homecoming Pep Rally and Kim Flemming was selected Miss Blue and Gold during Homecoming Week.

#80, Mike Thomas looms over team managers Lenard and Anthony Williams while he gets a tape job from Lenard, Melvin Crawford startled the crowd with his powerful sex appeal when he showed up at the Leon Pep Rally to enter the Miss Leon Contest and Deroy Bryant got the good word on a test result from Chemistry teacher, Mr. Rick Davies.

## **ALWAYS FLASHING; ALWAYS SHINING —**

Nancy Dittmar was a super clown during H.C. week, Alisa Mathis "found" a great costume at Fla. High; Jeff Westerfield was Chief Apalachee (with great spirit), quilt makers Lavonne Grainger, Tonya Forbes and Cindy Rentz really got into the middle of things, Monica Henderson blew up a storm on her french horn, Jeff Johnson starred at pitching for the Skins, John Collette was pretty strange on Costume Day and Carol Griffin signs in on Greg Mullins' shirt during class.

## THE 1982 SEASON

QUINCY 0-6

First game, first loss, later to be forfeited by Quincy. That night it was a win for them in the mud in overtime.

LEON 24-27

One of the best games for the Skins, they lead at halftime 24-21, but the Lions boomed two long field goals in the second half to pull it out.

NICEVILLE 20-33

The Eagles scored the winning margin early in the game and were outscored the rest of the way by the Skins who ran out of time . . . a tough loss to a good team.

MOSELY 11-40

Mosely's top-ten AAAA Dolphins ground down the Skins and coasted to the finish.

MADISON 14-20

This was supposed to have been one for the Skins who ran into a surprising Cowboy passing game, and a recalled touchdown, for an 'almost' game.

WAKULLA 35-28

Wakulla's defending State Champs came to RHS for a Redskin Homecoming and got plucked. Atkins set several RHS records with 32 points (five TD's and a two-point PAT).

JEFFERSON 7-20

Jefferson was destined to become state Co-Champs, the Skins played without enthusiasm and that was that.

TAYLOR CO. 36-14

It's always fun to upset someone's homecoming. The Skins had fun and won it going away. Atkins was too much for the Dogs with three TD's.

LINCOLN 12-6

A great game against a solid defensive unit that ran into a better offensive unit with a better defensive unit.

GODBY 20-7

A romp in regulation time! Who would've believed the Skins would finish the season 5-5 after the Madison game and finish second in the city and second in the District! 397 yards of offense against a hapless Cougar team.

**JUNIORS:** Stars, starters and backups, they're all here and they'll be back next year to lead the Skins on to glory and hopefully a District title.

## 1982 JUNIOR VARSITY REDSKIN FOOTBALL

Coach Joe Williams

Coach Kevin West

Coach Wes Carter

Always full of spirit and an eagerness to learn the game, '82's JV squad was loaded with Freshmen and coached by an excellent staff.

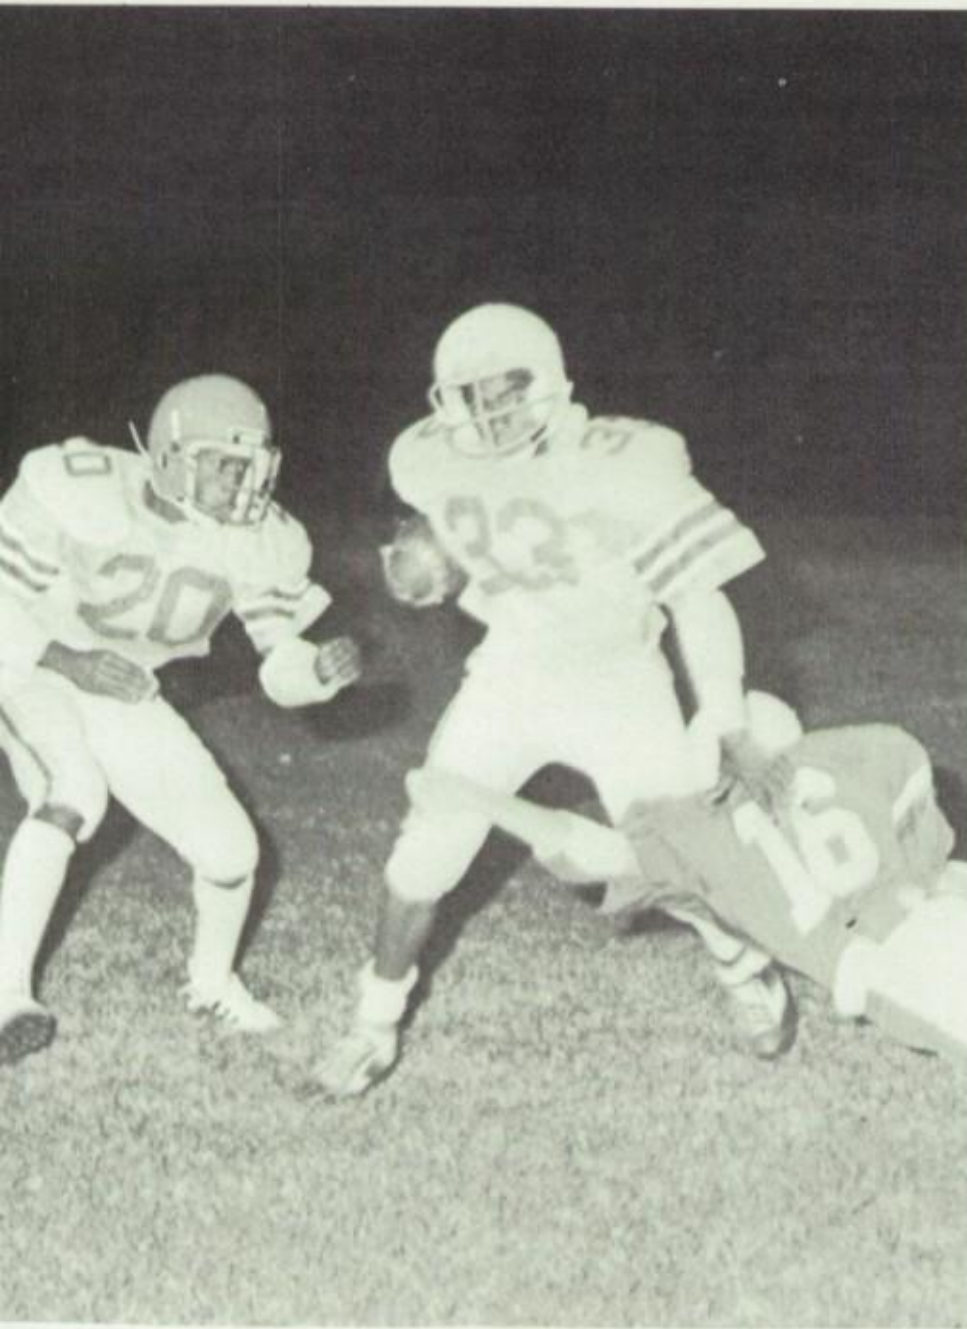

They played a full schedule of games (some teams twice) and gathered a highly spirited group of supporters that included (for the first time) a pep band that even showed up in the rain against Leon's JV over at Leon.

Players on this page will suit up with the Varsity next year and, according to Coach Marsh, will be welcome additions because they are well coached and know what they are doing.

Redskin fans who came to the JV games saw some darned good football!

## 1982-83 VARSITY REDSKINS

With a losing record of 8-18 the Skins were not the most envious team on the block. Despite the record, they lost a number of close ones and always gave a very good accounting of themselves whenever they stepped on the court.

Redskin fans were treated to some very exciting moments by players such as seniors Eric Ash, Walter Jordan, Carlton Perry, Mike Sloan, Mike Bradham, John Greene, Terry Thomas and James Walker. Juniors Mike Adams, Walter Todd, James Thomas will return next year to be the heart of the '83-'84 basketball campaign.

Head Coach Gene Harris expressed his feelings regarding the season when he said, "The guys did all right, they played their hearts out and gave, and gave; you can't ask any more, right?"

## When You Have 7 It's A Lucky Number . . .

but it also means you have to play a lot better basketball . . . almost perfect. If you foul out or get tired or shoot poorly there isn't much of a "bench" behind you to take up the slack. Talk about "stars" . . . this team had seven of them.

The Lady Redskins received Honorable mention more than several times in the state polls and had a strong 18 wins against only five losses (the last one against Marianna in the District tournament).

Rickards fielded a Lady JV Basketball team for the first time during the 1982-1983 season and it also has seven players on it, just like the Varsity.

Our J.V. Ladies were almost all inexperience but by season's end had learned a lot, many of them will be on next year's varsity squad.

These seven have paved the way for other teams to follow and have added some luster to the RHS basketball crown (which is already a shiny one).

## 1983 CITY CHAMPIONS

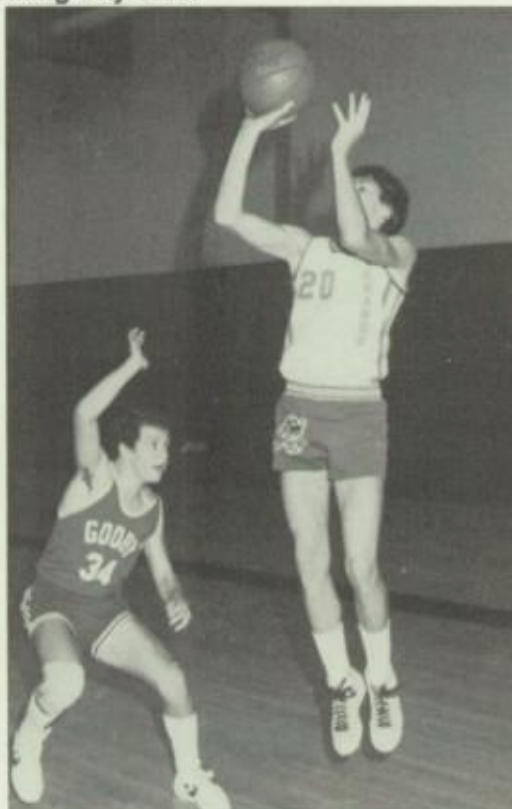

Steve Friedlander  
Head Coach

RHS' freshman cagers were taller, stronger and faster than they have been for a few years. They finished the season 9 and 6 and entered the RHS sponsored City Tournament against Leon. A win there sent them into the finals against a strong Godby team. The Skins won that one by a good margin, 52-43, making them the 1983 City of Tallahassee Champion. These young stars will be the JV and Varsity Stars in years to come.

The Skins celebrate after winning City Title.

RHS' Kickin' Redskins were an official school team for the first time this year; they've been a club team up to now. Their action was fast and exciting; their record a respectable 6-8.

This is what a soccer game looks like. Next year come and watch 'em ... or better yet, take part and get in on the action.

The Totem Poll staff acquired its own typesetter during the summer just before school opened in the fall, thus expanding the learning opportunities available to the staff in addition to having immediate access to a phototypesetter.

The Totem Poll continued to experiment with different type faces and layouts, striving for the very best and most informative product possible. Totem Poll reporters receive their assignments from the editors and are required to write them with a prescribed limit of words with a plus-minus factor of only five words. Leads must be varied to keep the writing lively and interesting as well as informative (and handed in on time to meet deadlines).

It's tough work sometimes to meet a last minute deadline, but when the Totem Poll "hits the streets" to be read by the Redskins it's well worth all the trouble and listening to Mr. Harwood's frustrated roars.

## THE 1983 ANUMPA

Yearbooks just don't get done by themselves. It takes hard work, concentration and constant daily attention to small details.

Section editors, photographers and staff workers have to track down names and get them connected to the right pictures, typists keep busy and hopefully avoid making errors that will be missed by copy readers.

There are a million and one things to keep track of and just as many potential errors . . . most of them will be caught before they end up in the book.

This year's Anumpa has captured another year's Redskin adventures, achievements and "the face of RHS." We finished the Anumpa during March and started working on the 1984 Anumpa.

The work never stops, but then the Redskins don't stop either!

Being a Varsity Cheerleader requires constant practice and **TONS** of loyalty and dedication to the school, our job and the rest of the REDSKINS.

Long hours of after school practice, summer camp and lots of fund raising activities is what makes it all possible before it all comes together in the fall.

That's the **BIG DAY**, the first **REAL** pep rally in the gym (with the butterflies kicking the fool out of your stomach). Suddenly, you and the rest of the squad are there and the student body shows up during a sixth period and things start to roll. You forget about the hair that won't stay in place and the fact that you forgot to sew your letter on and have fastened it with pins that somehow have come adrift so that on corner is flapping loose; all that matters is the REDSKINS and you do your best because that's what being a REDSKIN is all about; **BEING THE BEST YOU CAN BE ALL THE TIME!!!**

Jumping, hollering, screaming and just getting the crowds up to support the J.V. Redskins in football and basketball is the main job of the JV cheerleaders. And, just like the varsity, they do it in the rain (remember the Leon Game?) and in fair weather also. Being a JV cheerleader also means raising funds to pay for trips and other school projects. It's a lot of fun and a lot of work but well worth it.

# ...And the Beat Goes On ...

## RHS Spirit: A Chance to Let Go

Pep rallies provide an opportunity for the Redskins to release the pent up energy and frustrations built up during the week.

The Great and Glorious Marching Redskins blasted the crowds with highly

spirited music, the varsity and junior varsity cheerleaders whipped us to a frenzy, the coaches predicted excellent performances (happily this year the coaches were mostly right!) and the Redskin Varsity usually managed to end up on the main floor of the gym leading cheers and dancing with anyone brave enough to join them (some of them even danced with each other).

# *and on, and on ...*

Pep Rallies were intended to 'pep up' the football players. Evidently, from the season's record, the highly spirited Redskin pep rallies did their job effectively because the team ended up Second in the District and Second in the City.

(91) The Skins get ready to pour out onto the floor, (2) Redskin fans whip it up at a game, (3) and

whip it up at pep rallies, (4) RHS alumnus Burgess Owens, #44 L.A. Raiders, Superbowl Champion, shows hoe he feels about the skins, (5) and the Skins show they feel the same way, (6) Gene Newsome and Robert Lewis get ready to ride home after winning a game, (7) The Varsity cheerleaders share halftime with

some Jefferson Tigers, (8) Rik Bradley was 'some kinda' Wakulla quarterback at Homecoming (we beat 'em 35-28, remember), (9) Tony Davis, #18, was really up in the air after the JV's win over Taylor, and who could ever forget the smiling face and 'cute' legs of Bernard Williams!

## ***"FIDDLER ON THE ROOF"***

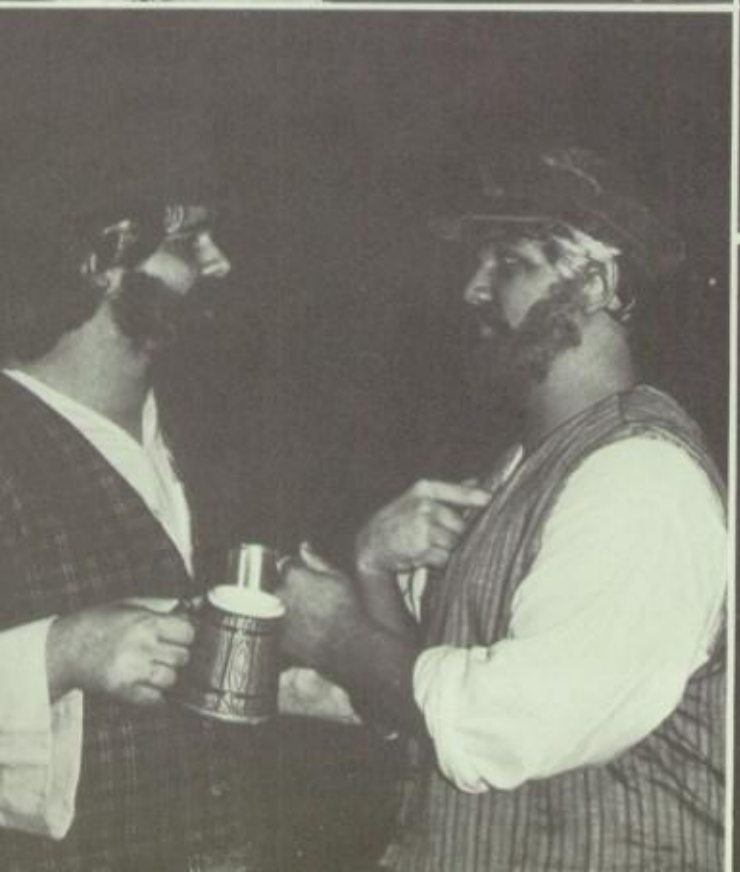

Rickards High School's Choral Department's 13th annual production, "Fiddler On The Roof," featured Wally Cox, Missy Bradley, Kim Walker, Patricia Guthrie, Patty Burton, Michael Sumner, Graham Page, Glen Mullins, Ron Whichel and Renea Walker in leading roles was a huge success.

Ms. Patrice McOwen, RHS Choral Director, supervised singing and acting phases as well as the pit orchestra and Diane LaMaster, RHS Hall of Famer, designed and directed the choreography. Dan Solomon, also an RHS graduate, designed the sets and directed the lighting.

"Fiddler On The Roof" takes its place in line with its predecessors as a glittering addition to the tradition of the Choral Department's superbly executed musical productions.

# IN CLOSING . . .

Up to this point the Anumpa has recorded many of our successes, the classes we took, the clubs and organizations we belonged to, the teams we played on, the girls who cheered for us, the teachers who encouraged and trusted us and what we looked like during the 1982-83 school year. Ten years from now we'll blow the dust off our copies of the Anumpa, look back and say things like, "I wasn't *really* like *that!*" The Anumpa cameras were everywhere (almost) and we close this 1983 Anumpa with some fine examples of their work. They covered many events from sports to classes and dances . . . they covered the whole *spectrum* of Rickards High School.
